FRICKER LIGHTING WARRANTY

Fricker Lighting products are warranted for 12 months, from the date of installation, to be free from defects in workmanship and materials provided the equipment is used on proper mains voltage supply and has not been subjected to misuse.

Should a warranty claim become necessary we will make necessary replacement of faulty component parts during the time without any charge upon returning goods to us with a claim notification.

We are not be responsible for charges incurred by other parties for the rectification of our lighting equipment either during the installation period of the maintenance period unless such charges have been previously submitted and approved in writing by the Company.

We reserve the rights to use our supplier's maintenance facilities for such rectification.

Warranty from our component manufacturers: we warrant ballasts for 5 (five) years, lamps and tubes for 3 (three) years condition applies as per the component manufacturers terms and conditions.

The Company also excludes its liability for negligence and limits its liability for any such breach of the General Conditions of Sale to the price of the goods or services supplied.

The Company will not be liable for any economic or financial loss or damage, nor for any on sequential or indirect loss or damage, directly or indirectly caused by the Company or its goods or services.
